Questions 31-35

Dear Grandpa,

It's been almost a month since I 31 you. I'm writing to let you know that everything is going well here in Taiwan. Although I miss the 32, I'm enjoying all my classes here in Taiwan.

33 Chinese class, I've been taking two other courses Chinese history and cooking. Chinese people are really 34 of their long history. My teacher often talks about all things Chinese people have invented. Of course, we studied this back home. Nevertheless, I like discussing it in Chinese. Here's a list of the inventions accredited to the Chinese: fireworks, the compass, noodles, paper and toilet paper. I believe, 35, that paper was first used in Egypt (but everyone has his or her own opinion).

Cooking class is going okay as well. You know me, I like to eat more than anything. I've got to run. Write soon.

Love, Alex
