## Personal Statement Essay

Write one clear, well-organized essay describing answering ALL FOUR of the following questions.

You have 90 minutes. You can write a little more about the questions that are worth more points, and a little less about the ones that are worth fewer points. However, DO NOT make a list of answers. Write one essay answering all of the questions

30%	Why are you suitable for this program at National Quemoy University? Give specific details and examples about your personality, character or personal background.
35%	Describe your previous academic performance. Did you do well in school? If you did well, then what helped you succeed? If you did not do well, then why did you do poorly, and how will you improve in the future? Give specific details and examples
20%	Why did you choose to study in this field?
15%	What are your career goals and plans (both short and long term)?
